Our office does not endorse or recommend anyone on this list.

- This is a local list of known hazardous material contractors. (If your company is not on the list contact our office)
- Responsible parties may hire a certified hazardous material contractor not on this list.
- The remediation shall be completed and will be at the cost of the responsible party.
- Clark County Health Department does not regulate or control fees for cleanup and inspection services.
- Revised 3/31/2021
